Remarks were also made by Mr. Wiggins of Ossipee, advocating the organization.

It was moved by Mr. Thomas that the delegates adjourn at the call of the chair.

WM. R. CARTER, Clerk.

HON. JAMES E. FRENCH,

Chairman Carroll County Delegation.

The sub-committee of the Carroll County Delegation appointed to investigate the matter of indexing the court records for the Superior Court of Carroll County attended to their duties at Ossipee on Friday last and report the following:

(1) Through investigation of the Court records and conference with the clerk of the court your committee

learned that the total period of the records is from 1859 and 1860 to the present time, a total of 58 years. In this connection, it is understood that the clerk is to make no charge from 1912 to the present time; accordingly that period has been omitted from the computation.

(2) A period of 21 years from 1859 to 1879 has already been indexed by the clerk and he has, as yet, received no payment therefor.

(3) For the period already covered, the Clerk paid his assistant wages of \$9.00 per week, which on basis of the usual office hours of from 9 to 12 o'clock, and from 1 to 5 o'clock, makes a day of 7 hours, therefore making a cost of 22 cents per hour.

(4) For this same period the Clerk allowed for his services in labor and supervision at the rate of \$3.00 per day, which makes a cost of 43 cents per hour for the day of the same length as above.

(5) The actual time spent for the 21 years appears from the timetable kept by the Clerk to be as follows:

Assistant 533½ hours, this multiplied by	
22 cents, equals,	\$117 37
Clerk 404 hours, this multiplied by 43 cents	
equals,	173 72
<hr/>	
Total cost on above basis for 21 years,	\$291 09
(6) Dividing \$291.09 by 21 years, gives	
an average cost per year of	\$ 13 86
(7) Multiplying this average cost of \$13.86	
per year by 53 years (This is the total	
less 1912 to date inclusive) makes,	734 58
(8) Making allowance for rearrangement	
of cards and making erasures of check	
marks on the books,	15 00
<hr/>	
Total,	\$ 749 58

(9) The Clerk of Court believes that it will be necessary for him to pay more than \$9.00 per week for the assistant's work in completing the records.

(10) The 21-year period already indexed seems to have been done in a neat and careful manner under the personal supervision of the Clerk.

(11) In accordance with the above facts (assuming the clerk's time table to be correct) your committee would recommend that the County Commissioners be authorized to contract with the Clerk of Court for the completion of the court records, that the sum of \$750.00 be appropriated therefor; the contract to stipulate that said sum is in full payment for the work already done and for the completion of the index to date; and with the further stipulation that the sum of \$750.00 shall be paid to the Clerk when the index is completed, and the quality of the work done approved by the Superior Court.

February 7, 1917.

CHARLES E. POOLE,
HARRY A. THOMPSON,
WM. N. ROGERS.

A meeting of the Carroll County Delegation met in Representative's Hall on Thursday, April 19, 1917, at 9 a. m. by call of the Chairman, Mr. French. On account of important business the Chairman, Mr. French, appointed Mr. Henry F. Libby as chairman pro tem.

A roll call of the members resulted in the following members present: Austin L. Stillings, Albert S. Pollard, Charles E. Poole, William R. Carter, Fred E. White, Edwin F. Leavitt, Arthur R. Merrow, Harry A. Thompson, Samuel J. Gilman, Erwin W. Hodsdon, Charles C. Smith, John Frank Goodwin and Henry F. Libby.

On motion of Charles E. Poole it was moved that the

convention reconsider its vote whereby it voted not to employ a county agent and on motion of Albert S. Pollard for a roll call, resulted that the following members voted in the affirmative: Austin L. Stillings, Albert S. Pollard, Charles E. Poole, William R. Carter, Fred E. White, Edwin F. Leavitt, Arthur R. Merrow, Harry A. Thompson, Samuel J. Gilman, Erwin W. Hodsdon, Charles C. Smith, John Frank Goodwin and Henry F. Libby.

On motion of John F. Goodwin it was moved that the convention vote to authorize the county commissioners to employ for the next two years a county agent beginning May 1, 1917, and that the county commissioners be empowered to hire \$1,200.00 yearly to carry this motion into effect. On roll call the following members voted in the affirmative: Austin L. Stillings, Albert S. Pollard, Charles E. Poole, William R. Carter, Fred E. White, Edwin F. Leavitt, Arthur R. Merrow, Harry A. Thompson, Samuel J. Gilman, Erwin W. Hodsdon, Charles C. Smith, John Frank Goodwin and Henry F. Libby, which was unanimous.

It was moved by Arthur R. Merrow that we adjourn.

WILLIAM R. CARTER, Clerk.

Commissioners' Report

TO THE CITIZENS OF CARROLL COUNTY:

In accordance with the requirements of the Public Statutes of the State of New Hampshire, the Commissioners of Carroll County herewith submit the following report of their business transactions for the year ending December 31st, 1917, together with the report of several of the other County Officers.

The County Farm and House of Correction is under the same management as last year, Mr. Geo. B. Reed, Superintendent and Mrs. Geo. B. Reed, as Matron; they have labored hard for the welfare and comfort of the inmates and for the financial interests of the county.

There has been an unusual amount of repairs made at the County Farm for the past year. The sewerage and vaults going to pieces causing new septic vaults to be put in and all of the piping to be relaid. The hot water system then had to be replaced and all piped over, causing quite an expense.

It became necessary to increase the stock so as to make use of the hay, and in order to do it there had to be more tieup room; this was overcome by putting a tieup on the west side of the barn. We have now at the farm 48 head of cattle, nearly double the amount of stock usually kept. For account of repairs and other matters pertaining to the Farm, we would refer you to the report of the Superintendent.

We wish to thank the Superintendent and Matron at the County Farm, County Physician and Overseers of the Poor and all other county officers for their earnest labor during the past year.

Gentlemen:—In closing this our third annual report, kindly allow us to express our hearty appreciation for your co-operation in the care and management of this institution. While the year has been one without precedent, full of the greatest anxiety and uncertainty, yet it has been our constant and earnest endeavor to do justice to our wards under the circumstances, and to conform to all of our State and National requirements.

We have installed septic tanks for our sewerage in both the main Almshouse and the brick buildings, also plumbed the Almshouse practically new. The value of this improvement can hardly be estimated suffice to say that the buildings and the overflow of the tanks are now in a sanitary condition.

Last spring the 60-gallon hot water boiler on our range rusted out so as to become useless, this made it absolutely necessary for us to do some thing for a hot water supply, consequently we installed a 212-gallon boiler and heater. piping it through both buldings, we now have an abundant supply and a great convenience over the old system,

which had only a capacity for about one-fourth of our requirements.

On account of the high price of animal feeds, our abundant hay crop and the future requirements of the farm, we believed it best to increase our stock of cattle, consequently we have built a new tieup in the barn, which doubles the room we had heretofore. We have raised all of our calves this year and bought eleven growing steers, making a total of fifty head at the present time. We believe this improvement will go a long way towards increasing the production of the farm and consequently reduce the cost of maintaining this institution.

Mrs. Mary C. Buswell of Lynn, Mass., again remembered us with a generous donation for a Thanksgiving dinner. This noble contribution was much appreciated by the people under our care.

The health of the inmates has been generally good through the whole year. We have had 422 visitors; rules for visitors the same as last year.

Kindly allow us to express our thanks to all who have contributed books, papers, magazines and other comforts to our wards. Only one who sees the benefits of these thoughtful acts can fully realize how far they go towards lightening the burdens these unfortunate people must bear. Please bear in mind that it is not some great thing that is needed, but rather a cheerful, kind word, some small useful article that will bring its full measure of reward. "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Respectfully submitted,

GEO. B. REED, Superintendent.

Jailor's Report

Number of prisoners in jail Jan. 1, 1917,	6
Committed during the year,	17

GEO. B. REED, Deputy Jailor.

Report of Superintendent of House of Correction

TO THE COMMISSIONERS OF CARROLL COUNTY:

Number committed during the year, 1917,	19
Number escaped,	1
Discharged,	12
Number in House of Correction, Jan. 1, 1918,	6

Since assuming the management of this institution, I have taken the liberty to urge our Police Court Justices, in cases of minor crimes to sentence to the House of Correction, rather than to Jail. This enables us under the General Laws to properly work this class of misdemeanors. We use one side of the jail for this purpose and it is a very satisfactory arrangement. If we were to board this class of prisoners in idleness in the jail and pay for the work they do, we should have a much different result in our cost sheet.

Respectfully submitted,

GEO. B. REED, Supt. of House of Correction.

SOLICITOR'S REPORT

TO THE HONORABLE BOARD OF COMMISSIONERS FOR THE COUNTY OF CARROLL:

Below is submitted report of Solicitor for the year 1917.

At the May term of Superior Court indictments were found as follows:

Statutory rape	1
Breaking and entering	2
Obtaining money under false pretenses	1

At the December term the following indictments were found:

Breaking and entering	6
Burglary	3
Statutory rape	1
Assault with intent to kill	2
Assault with intent to murder	4

The larger number of indictments at the December term is partially accounted for in that the same act is stated differently in different indictments.

Four criminal appeals were entered at the December term. Two of these were continued and two disposed of.

Various dispositions were made of the indictments for the two terms. Five respondents each having spent some time in jail were set free. One child who had spent some time in the state industrial school was allowed to go free. Two were sentenced to state's prison.

A murder trial, State vs Frederick L. Small, begun in December, 1916, was finished in January of this year and resulted in a conviction. The jury having recommended capital punishment, respondent was executed January 15, 1918.

Respectfully submitted,

WALTER D. H. HILL, Solicitor

CHAPLAIN'S REPORT

TO THE COMMISSIONERS OF CARROLL COUNTY:

For the second time I submit to you a report of my work for the first complete year of service. On the second Sunday afternoon of each month the usual preaching service has been sustained. At these twelve services Mr. and Mrs. Reed have secured the attendance of all Protestant inmates and have always been in attendance with the members of their family and visiting guests. We have had one baptism representing a case of genuine faith. An invitation on the part of the management or inmate of home or jail brings a speedy response for pastoral visitation. Five funeral services have been conducted. It is the wish that the same mutual joy may be the possession of all who have received of these spiritual ministrations from the great Giver.

Cordially yours,

DANIEL MCINTYRE

Pastor 2nd Congregational Church, Ossipee.

AID TO PERSONS QUARANTINED.

It sometimes becomes necessary to assist a family when quarantined on account of scarlet fever, diphtheria, etc, by reason of its being deprived of the opportunity to earn wages or from other causes, and to provide for which the following law was enacted by the legislature and approved March 11, 1899.

SECTION 1. Whenever any person or family is placed in quarantine by a board of health, to protect the public against small pox, scarlet fever, diphtheria or any other dangerous, infectious or contagious disease, it shall be the duty of said board to assist such person or family while in quarantine in such a manner as in the judgment of the board may be deemed wise and necessary.

SECT. 2. All expenses thus incurred, or such part thereof as the board may determine, shall be deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such expenditure be construed to mean a public aid to the person or persons quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes..

The above law would seem to solve, in a thoroughly satisfactory way, a question which heretofore has been considerable of a problem in some localities. The entire matter is left to the judgment of the local board of health, and whatever aid the board may deem to be wise and necessary to extend to the families in question must be paid by the town and charged up as provided for in section 2.

SECT. 11. The county commissioners or the overseers of the poor of any town may require any person applying for aid under the provisions of Section 9 of this chapter, who is eligible for admission, to make application for admission to the New Hampshire Soldiers' Home, in case he has no family or settled place of abode, whenever in their discretion they deem it best; and if such person refuses to make such application, or if admitted refuses to go to said Soldiers' Home, the county or town shall be relieved from the provisions of the preceding sections so far as such person is concerned, and he may be supported at the county or town almshouse.
